BODY TREATMENTS

Nourish and Moisture Delight 90' 170e

This treatment will miraculously transform dull and dehydrated skin.

A luxurious scrub of rose petals, iris flowers, olive kernel grains, rubia ayurvedic plant and mediterranean sea coral, will cleanse thoroughly and beautify the skin.

The mask that follows, rich in honey, royal jelly and bee pollen, will replenish all lack of moisture and elasticity, leaving the skin looking younger and healthier.

A must for the summer time. (Massage included)

Multi Vitamin Skin Enhancer 90' 170e

A wonderful treatment to energize your skin, prepare it for the sun and uplift your senses!

A unique blend of Grapefruit essential oil, pearl sugar, argan shell, orange peel and fruit acids will gently exfoliate and smooth the skin. Then a multi vitamin mask with kumquat from Corfu Greece and fresh fruits rich in antioxidants, will rejuvenate your skin restoring its natural glow. Skin looks and feels radiant, nourished and energized.

(Massage included)

Body Mind Enlightenment 90' 155e

You need a massage to melt the tension away, but your skin also needs some care?

Then this treatment is for you. Start your journey with the exfoliation of your choice, shower off what no longer serves you and embark on the massage ritual you were longing for.

Rejuvenation and Toning 90' 170e

The ritual starts with a dry brushing to stimulate the lymphatic circulation and eliminate dead skin cells, then proceeds to a luxurious exfoliation. The purifying mask of holy basil, mediterranean coral and lemongrass that follows, will deeply cleanse and rejuvenate the whole body. A stimulating massage will increase the sense of purification and well being and a fresh toning gel of ivy, green tea and grapefruit will seal the experience.

Ideal when feeling tired, drained, with lack of motivation or energy.

Sun Rescue 60' 100e

The Greek sun is a delight, but very easily can turn to a painful experience. Especially when the wind blows, a sunburn can occur in no time.

Save your skin from peeling and maintain the tan you were dreaming of, with the benefits of greek yogurt, calming lavender and organic aloe.

A watermelon sorbet with water lilly, cucumber and skin rebirth botanical extracts will soothe the skin, replenishing all lack of moisture.

Ideal for face and body.

FACIALS

“ Every facial owes to be a ceremony, an ode to beauty “

Nourishment and Hydration 60' 100e

In a dehydrated skin, fine lines and wrinkles become more visible.

This treatment promises to bring back the hydration and elasticity lost by sun and environmental factors. Your skin will feel and look revitalized, beautiful, glowing and healthy from within.

Vitamin Glow 60' 100e

A mask highly concentrated in antioxidants with a potent blend of vitamins C, E and B will instantly reduce fatigue and rejuvenate a dull-looking skin, leaving it smooth and radiant. The splendid aromas of orange fruit extracts, sacred lotus and apricot will uplift the senses.

Suitable for all skin types.

Gua Sha Natural Lifting 60' 100e

Gua sha is a powerful technique that belongs to Chinese Medicine. Literally means “ to srup the mud “, the stagnated energy.

It's a form of lymphatic drainage for the face done with a tool from semi precious stone. The ritual starts with a cleansing and then precious Argan oil and some drops of essentials will embark you on a journey of relaxation and rejuvenation. Ideal for sagginess of the skin, fine lines and wrinkles, puffy eyes, double chin, dark circles, facial tension and to promote an even tone to the skin.

Express Facial 40' 70e

For those lacking time for a full lavish facial, this treatment is the ideal choice.

After a cleansing, an enzyme peeling mask will be applied, removing dead cells effectively but also strengthening and beautifying the skin. Hydration will follow.

Suitable for all skin types, including sensitive and acne-prone skin

ENERGY HEALING

Reiki 60' 90e

Reiki is an ancient and sacred Japanese Healing Technique still applied in our days worldly. Is helping people to relax deeply, calm the inner frustration of the mind, heal and reconnect. The word itself means the unlimited Universal Life Force which affects every form of life. Sometimes is an off-hands, others a softly touching and staying technique. Brings serenity, calmness, purity and grounding, leaving you refreshed and clear-minded.

Meditation 60' 80e

Meditation is an art and a science.

Science because the beneficial effects have been scientifically proved and an art because such is the ability of staying in the present moment.

Breath awareness and relaxation. A powerful tool in challenging times.

Yoga 75' 80e (*contact us about prices for couples or small groups*)

Advanced, intermediate, or an absolute beginner, our highly skillful therapist and yoga teacher, after a short sharing, will design the perfect class for you.

Yoga mats can be provided by the establishment.
